LANGUAGE LITERACY AND NUMERACY (LLN)

Information gathered through this form will be used to facilitate provision of additional support required in areas such as language, literacy and learning and assessment, whilst ensuring that students receive the maximum outcomes and benefits from the training, in relation to set learning objectives, career opportunities and skill level.

When the LLN assessment outcome identifies that the student does not have adequate language, literacy and numeracy levels of their chosen course, the **admissions officer** will:

DISABILITY AND IMPAIRMENT

Workzone Training ensures each student's skills and experiences relevant to respective vocational competencies are considered in the development of their learning plans.
